What makes them great: Rice Water, Ceramides, Hyaluronic Acid

Step 1: Apply a small amount of "Dermasters Korean Lumi Skin Face Wash" on a wet face.

Gently massage for 20-30 seconds. Rinse & pat dry. (Use in Morning & Night Skincare Routine).

Step 2: On a cleansed face, take one pump of "Dermasters Korean Lumi Skin Face Serum".

Pat the serum gently on your face & neck till absorption. (Use in Morning & Night Skincare Routine).

Step 3: Moisturize your skin with "Dermasters Korean Lumi Skin Cream" after applying the serum.

(Use in Morning & Night Skincare Routine).

Step 4: On a cleansed & dry face, apply a medium layer of "Dermasters Korean Lumi Skin Peel Off Mask" on

face & neck, avoiding eyebrows & hairline. Let it dry for 15-20 minutes or until the mask dries.

Remove the mask by peeling off in upward direction. Follow it up with serum.

(Use once a week).

Follow the steps daily for best results. Use Peel off mask only once a week.
